**Subject:** Receipt of Powertech response on Draft UIC Class III/V draft permits for Dewey-Burdock.

Valois and Doug,

You should have received today a package from us with our entire response. (UPS shows it was delivered at 9:44). I was hoping you confirm you received everything today. I would be glad to bring down a flash stick today otherwise. Please let me know and would glad to hand deliver this if needed.

Also,

Just one note. In a few places, there are a few typos on Table 5 labeling this for cumulative effects, which it is not for. Table 5 represents our specific comments on the draft environmental justice document.

Sincerely,

John
